Design Pickle Recognized As One Of America's Fastest Growing Companies

Design Pickle Ranks No. 345 on the 2019 Inc. 5000 List

Scottsdale, AZ (August 14, 2019) - Inc. magazine has placed Design Pickle on its annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies.

"We are thrilled to be recognized by Inc. magazine in this year's Inc. 5000 list," said Russ Perry, Founder and CEO of Design Pickle. "This acknowledgment demonstrates our continued commitment to delivering extraordinary service to our clients and to change lives through creativity - which is the foundation of our company."

The 2019 list represents the most competitive crop in the list's history. To make the cut, companies had to have achieved staggering sales growth. Design Pickle experienced a 3-year growth rate of 1,329% to be ranked No. 345 in this year's list.

In addition to the overall ranking, Design Pickle places #8 in Arizona, #8 in Phoenix, and #21 in the Top Business Products and Services.
